Regenerating Hair Care Mask

with four botanical oils

of the scalp and hair lengths

Repair, regenerate, beautify

A true emergency treatment that acts on both scalp and hair lengths, the Regenerating Hair Care Mask repairs devitalised, sensitised hair. With a very high concentration of plant extracts, proteins, vitamins, and minerals, the formula energises the hair bulb to reinforce hair vigour from the root.

The beneficial combination of emergency treatment oils (Shea, Macadamia, Camellia, and Hazelnut) smooths and nourishes the hair fibre without weighing it down.

The ultra-melting, light formula is massaged into the scalp and hair lengths.

Hair is immediately stronger, softer, and shinier.

After four weeks of use, the cuticle is smoothed, the hair fibre is restructured, and hair is radiant with vitality.

Revitalizing Fortifying Serum

for the scalp

Helps make the hair stronger and denser

Fortifying, densifying

Like the skin, the environment and life events can have an impact on hair health and beauty. Stress, illness, pregnancy, or physical or emotional shocks can cause hair loss.

With its high concentration of minerals, vitamins, plant extracts, and proteins, the Revitalizing Fortifying Serum truly boosts energy in the scalp to fortify the hair.

This is the brand's most technical hair care product.

Revitalizing Fortifying Serum has proven to be spectacularly effective, particularly in people experiencing hair loss.

Tests carried out in partnership with the Centre Sabouraud (medical centre specialised in skin and hair) showed that hair loss was stabilised.

This powerful product is designed to be applied to dry or damp hair, part by part (three dropperfuls on the scalp), then massaged with the fingertips, particularly in areas where hair is falling out.

This truly intensive course of treatment is to be used every other day for one month, then twice weekly for two months for maintenance.

Revitalizing Fortifying Serum immediately soothes sensations of discomfort and adds volume to the hair.

Day after day, the hair is stronger, more beautiful, and shinier.

Active ingredients: Pro-vitamin B5, Vitamin B6, Vitamin E Acetate, Magnesium, Zinc, Copper, Arginine, natural origin Alpha-Bisabolol, Rice proteins, Einkorn wheat extract, Linseed extract, vitamin Peptide, Sage extract, "active-core" fragrance, Red Thyme essential oil, Marjoram essential oil.

The last step in the care ritual, applying the oil primes the hair for styling.

It is also the perfect way to add a touch of radiance during the day.
